SCWD YOUTH GROUP LAKE JUNCTION MODEL RAILROAD CLUB

The **Lake Junction Model Railroad Club** is a unique organization dedicated to teaching young people about model railroading, and trains in general.

The club is sponsored by the South Central Wisconsin Division (SCWD) of the National Model Railroad Association (NMRA) and supervised by experienced model railroaders.

HANDS-ON CLINICS

Kids (and parents) have the opportunity to participate in hands-on clinics to learn about all aspects of model railroading:

- Planning and Trackwork
- Benchwork and Scenery
- Model Building and Electronics
- Airbrush Painting
- Engine Maintenance and Repair
- Operating a Model Railroad

Along with having fun with new friends, the kids learn a lot about cooperation, respect for others, teamwork and patience.

The SCWD financially supports the club, locates meeting space, provides needed clinic materials and qualified clinicians.

MEETINGS

The club meets once a month from September to May. Members also help at the SCWD Model Railroad School held every January, and display their own layout at the Mad City Model Railroad Show & Sale held in Madison every February.

Members are welcome to attend the regular SCWD monthly meetings (held at the Fitchburg Community Center the first Sunday of every month, September to May), the SCWD annual summer picnic, the spring banquet and other SCWD activities.
